

Year 6 Camp – Day of Departure Information

Week 1, Term 4 – Tuesday

We are sending this information out early so that families have plenty of time to organise everything needed for camp.

Remember that all information regarding camp is available on our school website in the **Events Calendar**. Go to the first day of camp and click on the event to access any notes or information you may have missed.

Tuesday – Day of Departure

It is important that **you do not send your child to camp if they are unwell**.

Students are to arrive at school by **8:30am**. Only students will be permitted inside the school hall.

Parents and caregivers will not be able to enter the hall.

When dropping your child at school, please use the **Kiss N Go area** if possible. Students should be able to independently manage their luggage into the hall, as they will need to transport their luggage to and from their cabins throughout the camp.

This is a great opportunity to give your child a quick, cheery farewell before they head off!

Backpack – Ready for Day 1

Students should have a backpack ready for activities on the first day. It should contain:

- Sunscreen
- Insect repellent (not spray)
- Hat
- Water bottle
- Rain jacket
- Asthma inhaler or EpiPen, if required
- Change of socks

Main Luggage

Students should bring **one large bag** containing all clothing and bed linen.

If possible, please fit your child's **pillow inside their bag**. This makes luggage easier to transport and increases the likelihood that everything will make it safely back home!

Please do not tie sleeping bags or pillows to the outside or top of luggage. Coach drivers need these items to remain unattached so that bags can be stored efficiently underneath the coaches.

EVERYTHING must be clearly labelled with your child's name.

Friday – Returning Home

When camp concludes on Friday, students will be dismissed at **2:50pm**.

Please note:

- Parents and caregivers **cannot park in the Kiss N Go area.**
- Even if the buses arrive earlier than expected, all students will go to the hall first to ensure that all baggage and other belongings are collected.
- Students will be required to take their first bag off the bus, so they will **not have their bags with them when they initially leave the buses.**
- Parents and caregivers **will not be able to enter the hall.**
- Students **cannot be collected before 2:50pm.**

At **2:50pm**, students can make their way to the predetermined pick-up location arranged between you and your child. Please make these arrangements with your child **before camp** so they know exactly where to meet you.

Students may also be collected from **Kiss N Go**. They will line up with the other students moving through Kiss N Go.

Please ensure your SURNAME is clearly displayed on your vehicle's visor.

We are looking forward to a safe, fun and memorable camp for all of our students!

Kind regards,
Caningeraba State School
